July 15, 2022

Mr. Travis Huffman
Galesburg Municipal Airport
P.O. Box 1387
Galesburg, IL 61402-1387

Mr. Huffman,

The Illinois Department of Transportation's Proposed Federal Fiscal Year (FFY) 2023 Airport Improvement Program provides funding for projects at airports throughout the state to ensure the continuation of safe and efficient operations at these facilities and maximize opportunities for economic development in Illinois.

Projects were selected for the FFY 2023 Airport Improvement Program based on project requests submitted by airport sponsors to the Department during previous Transportation Improvement Program (TIP) meetings. The program is based on Federal Aviation Administration (FAA) funding levels established in federal legislation which provide for a minimum of \$1 million in entitlement funds for primary airports and a maximum of \$150,000 entitlement funds for non-primary airports.

Funding for the FFY 2023 Illinois Airport Improvement Program is dependent upon receipt of Federal funds and legislative authorization of state appropriations.

There are no FFY 2023 programmed projects for your airport at this time.

The Department will carry over \$150,000 in entitlement to FFY 2024. If you elect to use these funds prior to FFY 2024 please submit a Transportation Improvement Program Project Request Form. Upon formal approval by the Department we will revise the FY 2023 Airport Improvement Program accordingly.

Please contact Richard Borus in Aeronautics at 217.785.0056 or me in the Office of Planning and Programming at 217.782.4118 if you have questions regarding this program letter.

Sincerely,

A handwritten signature in black ink that reads "BJ Murray".
